STUDENT AGREEMENT

ACCEPTABLE USE

I will not ...

Misuse the internet, message or play games during school time.

Access social media or use messages at school or using my school account.

Pass on inappropriate material to other students.

Share images of members of the school community without their permission.

Write or send messages that would make others feel uncomfortable.

Give out personal information that could identify me (surname, address, phone no., photos) while using the internet.

Post images, videos or comments about any member of the school community that may offend or give the school a bad name.

Share images of myself or other students in uniform or identified with the school without the Principal's permission.

Allow notifications to appear on my device during school hours.

Download or install software or apps without the teacher's and/or parents' permission.

Break copyright law by using and/or copying another person's work.

Pretend to be another person when communicating on the internet.

Invite teachers to join personal networks.

Waste resources through excessive downloading.
